16TH SUNDAY OF ORDINARY TIME

In times like our own, when things
seem hard, it is helpful to remember
that the God who made us is One who
is totally outside of time, and as such
has all that happens in time before
Him in One Eternal NOW.

He has further created us to be
citizens not of time but of Eternity and
it is from the perspective of eternity
that God judges what is good for us.

We can only see things in time at
present so we are called upon to
Trust.

And Trust begins when we don’t
understand.

Karl Rahner – one of the theologians
of the Second Vatican Council said
that the Christian is one who has one
foot in Time and the other foot in
Eternity.

The God we worship promised us joy
but that promise will find its
fulfillment only in eternity.

Now – we trust.

We pray in the Our Father “Your Will
be done on earth as it is in heaven.
We are challenged in this clustering
process to allow God’s Will to be
done on earth as it is in heaven.

We pray God gives us the faith and
the trust to pray as Jesus taught us
and mean it.

Mission Statement: The Spirit of the Lord is upon me, because God has anointed me to bring good news to the poor, to proclaim liberty to captives, recovery of sight to the blind, to let the oppressed go free, and to proclaim a year acceptable to the Lord. Luke: 4:18 - 19
