THANKSGIVIING DINNER

ST. VINCENT DE PAUL BENEFIT

FOR THE NEEDY OF OUR CITY

ST. JOHN LATERAN BASILICA

Today we celebrate the dedication
of the Mother Church of
Christendom – the Church of St.
John Lateran.

The God of the Universe became
one of us in Christ and in so doing
taught us that people are the best
expression of God in our world.

A consequence of this truth is the
fact that God did not become one
of us to live in a temple of bricks
and mortar but to live in the hearts
of each one of us. We have each
been commissioned to build the
temple that is Christ in our hearts
and to allow it to find expression
in the way we live

In this way, we are empowered to
speak as God speaks – with deeds
rather than with words.

Today, then, we thank God for
those in our lives who gave us
the presence of Christ very
eloquently by the graciousness,
the kindness, the support and the
affirmation they gave us in our
growing up years.

And today, we work on the
presence of God in our own
temple – my VERY HUMAN
HEART. It is here that I give glory
to my God best and share it in the
graciousness and genuineness of
my care for others. And the beat
goes on.
